www.5pioneer.com

OUR VISION

*Become one of leadership companies which
providing services for automation & low current
& safety and security and low voltage*

OUR MISSION

Providing the local market with higher level services based on expertise in automation & low current & safety and security and low voltage

About

The pioneers company established by several engineers (with 20 years) we have done several projects & provided services for major leadership companies and biggest projects in syria .

like: UN,WFP,several villas and factories

Throwout 20 year we got our expertieses in automation low current safety & security & low voltage via co-orporations with leadership brands over the world and still have supporting by them till now.

Services offered by Pioneers for engineering

1- Design :
Supervision,consulting and executing.
Low current systems (safety and security)
BMS,KNX low voltage,Robotics shop drawings For instruments.
like: (radar level measurement pressure , temperature, flow transmitters etc.....) for several brands.
like: ABB , KROHNE , Endress + Hauser , Honeywell , EMERSON , as we are KNX partner.

2-Programming :
PLC , for several brands
like :SIEMENS , Schneider , ABB , yokogawa
SCADA : wincc,citict, intouch,IGSS
Robotics :ABB,KUKA
BMS : Schneider
KNX :Thinknx,Zennio.

3-installation & commissioning:
instruments :ABB,SIEMENS, Endress + Hauser,KROHNE, EMERSON,Honeywell.
control systems: KNX,BMS,PLC S7-300/400 etc..
Electrical :Banks,Factories, villas,buildings etc...

4-maintenance :
preventive maintenance & repair electrical for low voltage & Low current and control systems.

Newest Reference

Banyas main LPG storage
(maintenance for ATG instruments)

Homs refinery (design ATG instruments) for spherical LPG tanks

Banyas power plant(maintenance for DCS system)

SCADA system integrator agreement with schneider electric

KNX partner

Kuka Robot programming with instrument for better efficiency

Maintenance for Al-Fijeh water filling factory for all production lines with programming SIEMENS s7-300

Maintenance for boukien water filling factory for all production lines

Brands we still supported

SIEMENS

Endress+Hauser

People for Process Automation

Zennio®

Honeywell

KUKA

thinkKNX

ABB

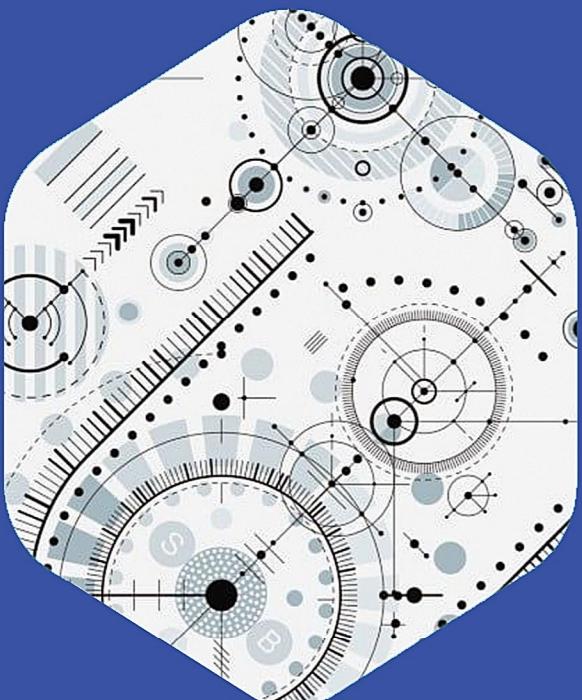

EMERSON

KROHNE
